

LED WASH LIGHT 40x15W RGBW IP65

LWCI600-18D/4in1/RGBW

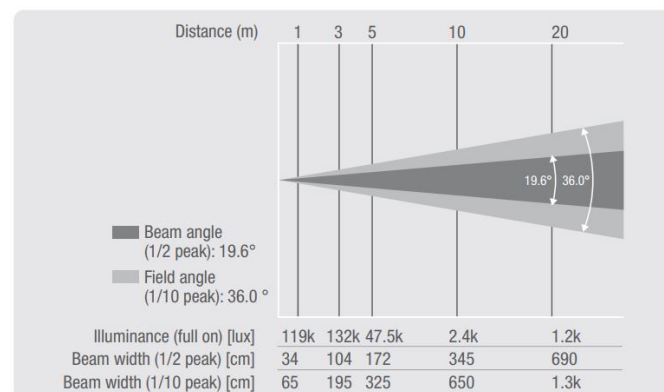

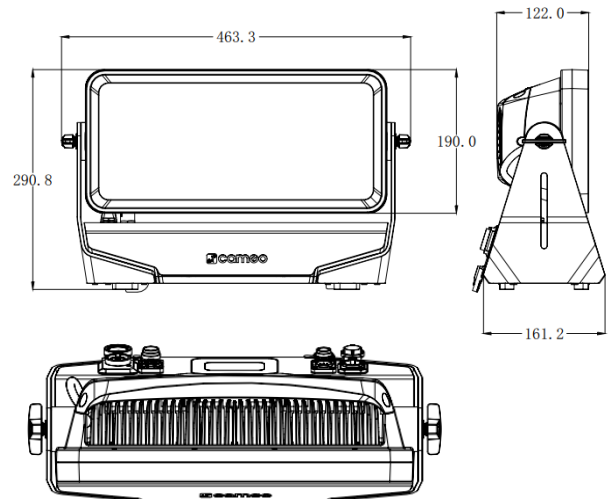

Application

Equipped with a total of forty 15 W RGBW Cree LEDs for a massive 21,000 lm output, the Cameo Zenit W600 is a powerful IP65 rated washlight for demanding outdoor applications. Featuring advanced 16-bit technology for high-resolution colour mixing and dimming and a 18° beam spread, the Zenit W600 projects hugely intense, uniform washes. With colour temperature and individual LED colour correction, four selectable dimming curves and fully adjustable halogen lamp-like dimming response, the fixture is the perfect tool for highly professional lighting
