

# HORTICULTURE LIGHTING

## ESSENTIAL SERIES

HLBT1200RW

### Specification

- Essential spectrum for general plant with aesthetic color appearance
- Precise light distribution to reach high PPFD for vertical farming
- Long lifetime with less energy consumption
- Support and advice for your requirements

**Housing** Aluminum and high quality plastic

**Application** Horticulture lighting

**Power** 18 W

**Input Voltage** 230VAC $\pm$ 10% /50Hz

**Luminous Flux** >2400 lumen

**Power Factor** >0.9

**THDi** <15%

**Color** Horticulture White (1R4W)

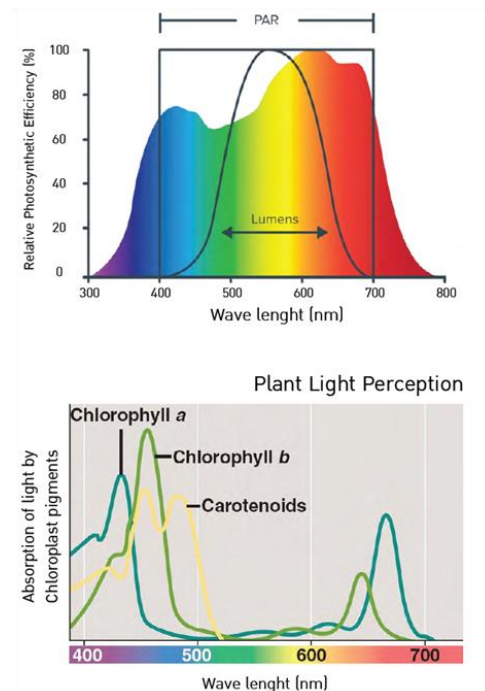

**Beam Angle** 120 degree

**Control Gear** build-in driver

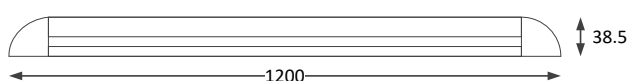

**IP Rating** 20

**LED Lifetime** 50000 hrs.

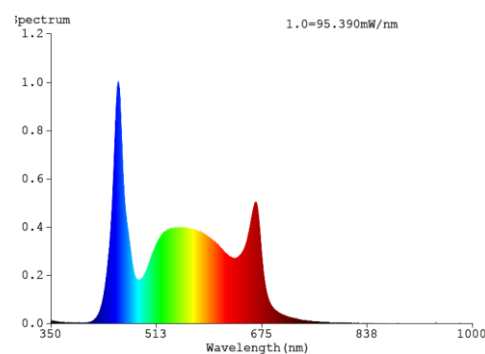

**Warranty** 2 year
